

I am writing to you today to let you know how much KLOVE means to me and my family. It provides uplifting and encouraging music without commercials and profanity. There's not a whole lot out there that can give a positive reinforcement to what I am teaching my kids at home like KLOVE. I don't listen to anything else on the radio BUT KLOVE. Please don't take them off the air. Me and my family have enjoyed their station for years. Our community responds to KLOVE and benefits from this station. So many of my friends and church members listen to this station. Thank you for reading this. Jeannie Lamb
